Numerical Experiment #1: Evaluation of Autocorrelation and Power Spectral Density

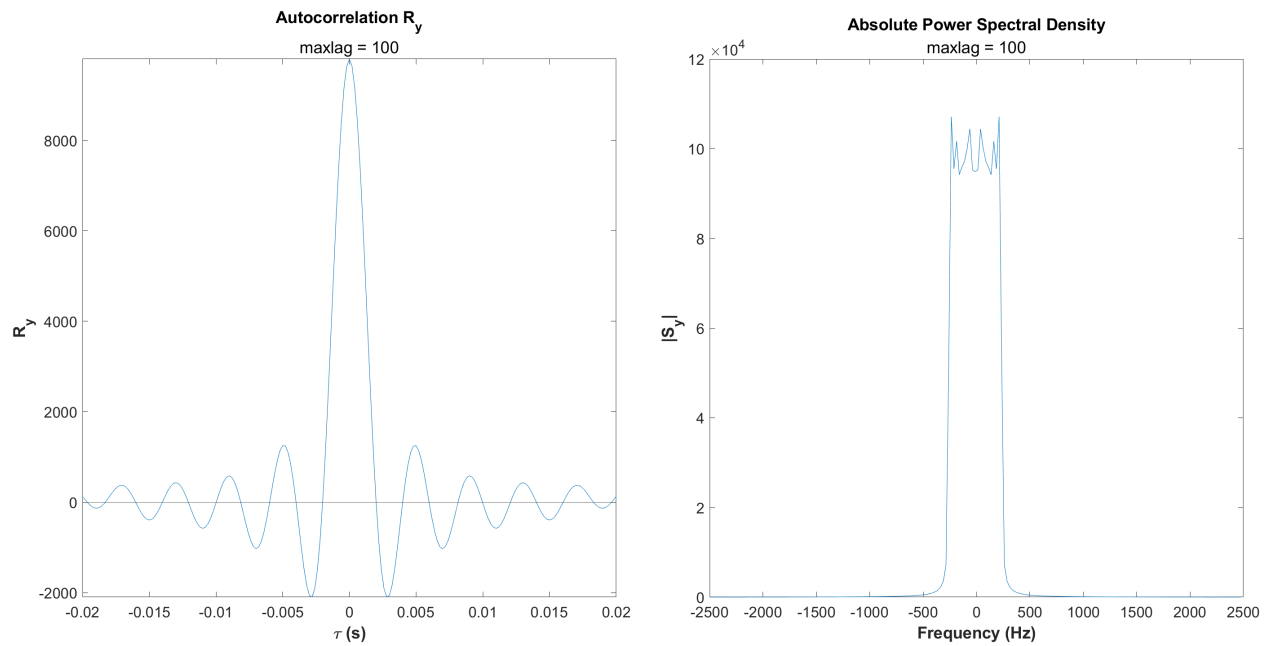

Figure 1: Autocorrelation and PSD for maxlag = 100

Numerical Experiment #2: A sinusoid buried in noise

Numerical Experiment #3: Delay Estimation

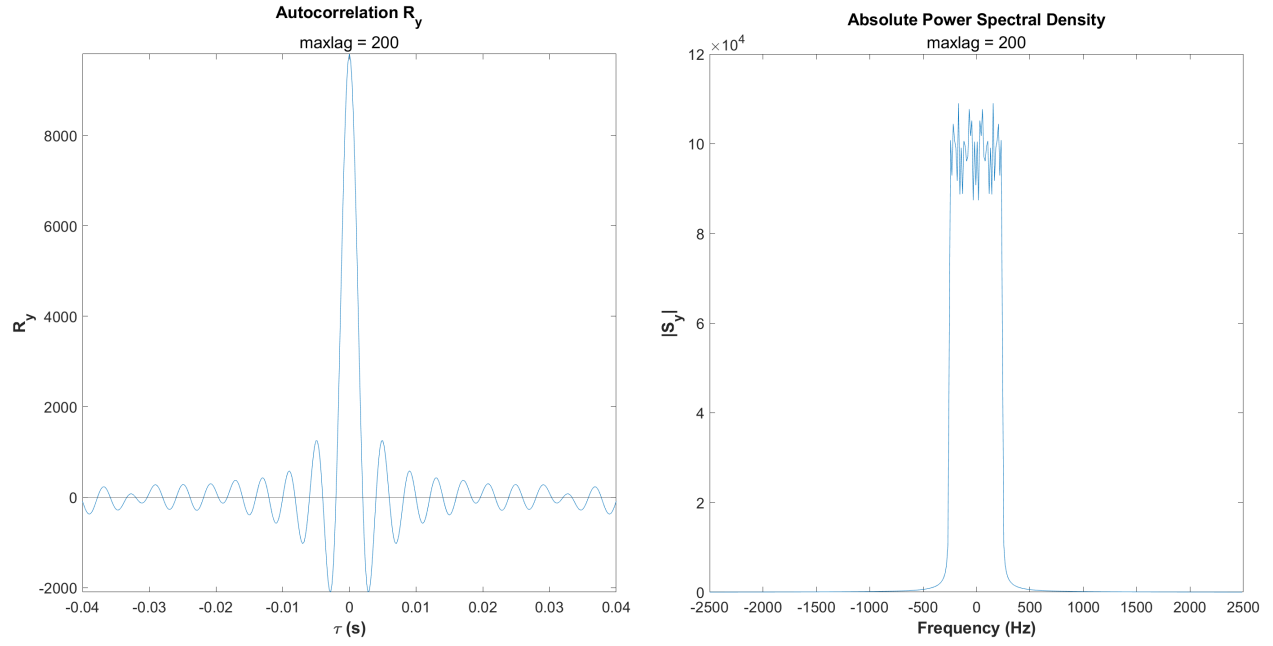

Figure 2: Autocorrelation and PSD for maxlag = 200

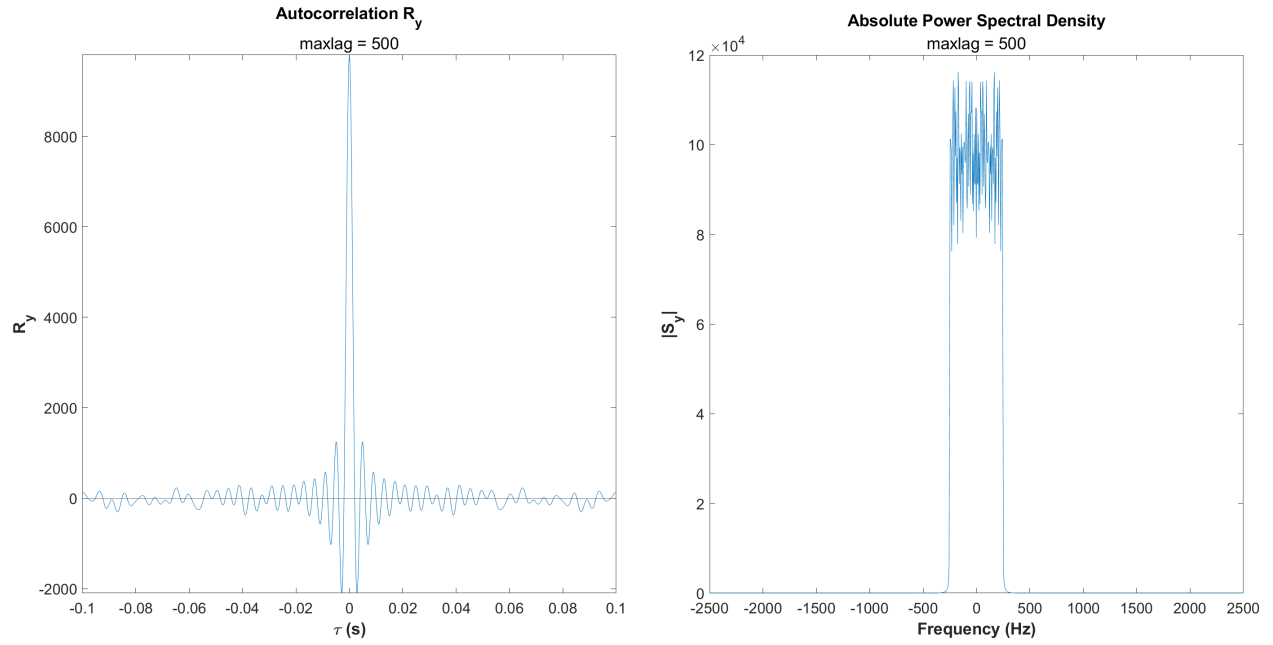

Figure 3: Autocorrelation and PSD for maxlag = 500

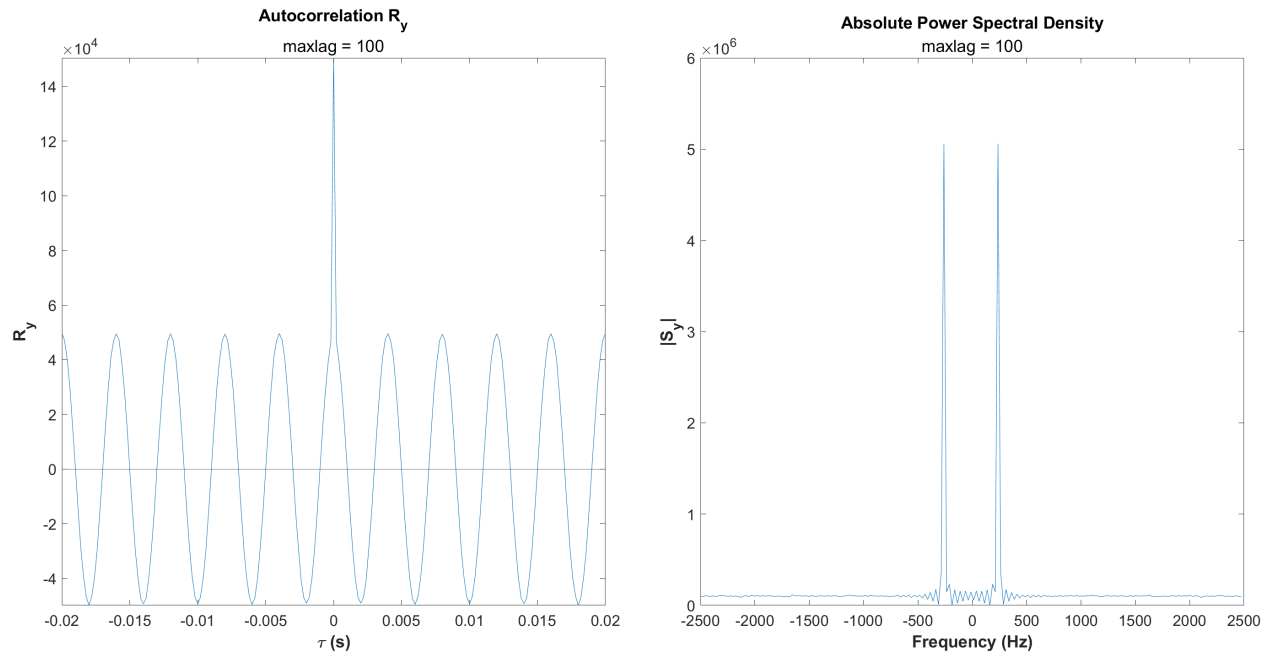

Figure 4: Autocorrelation and PSD for maxlag = 100

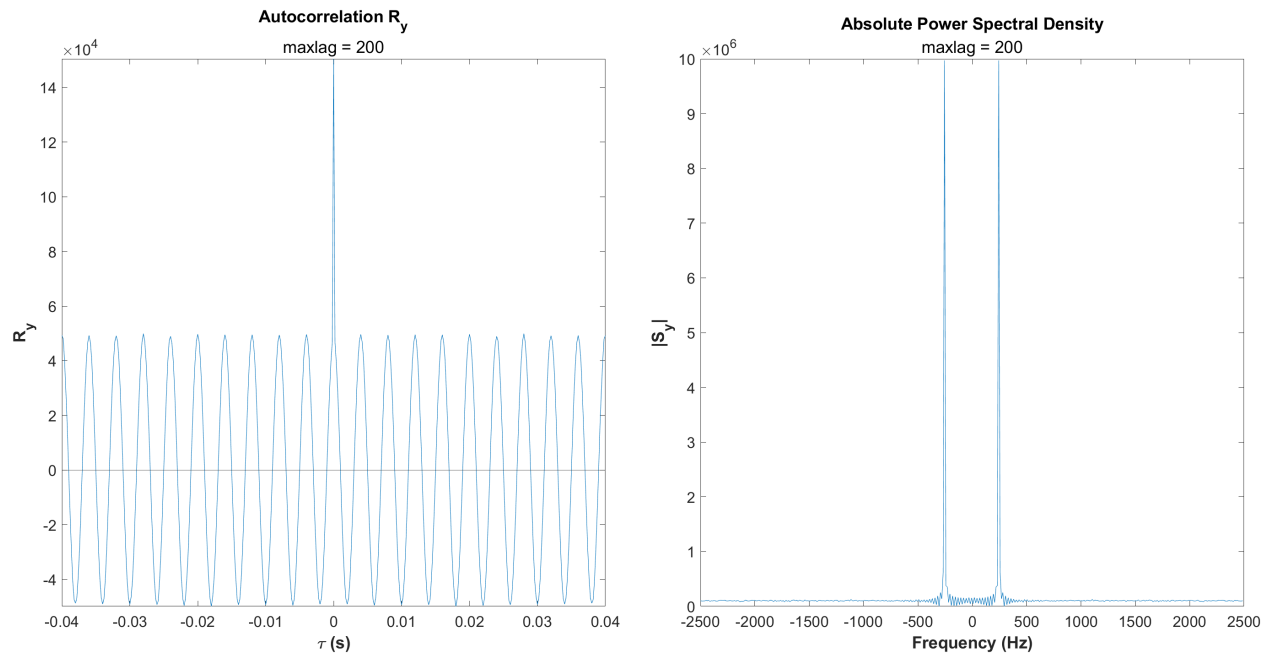

Figure 5: Autocorrelation and PSD for maxlag = 200

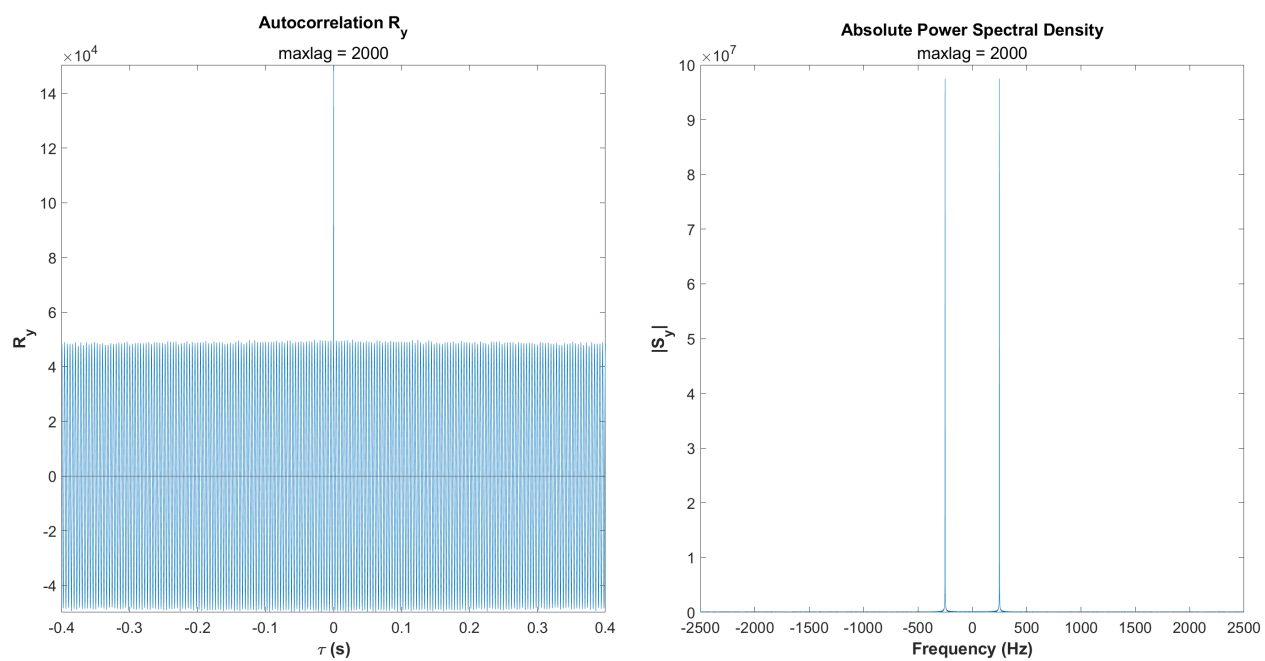

Figure 6: Autocorrelation and PSD for maxlag = 2000

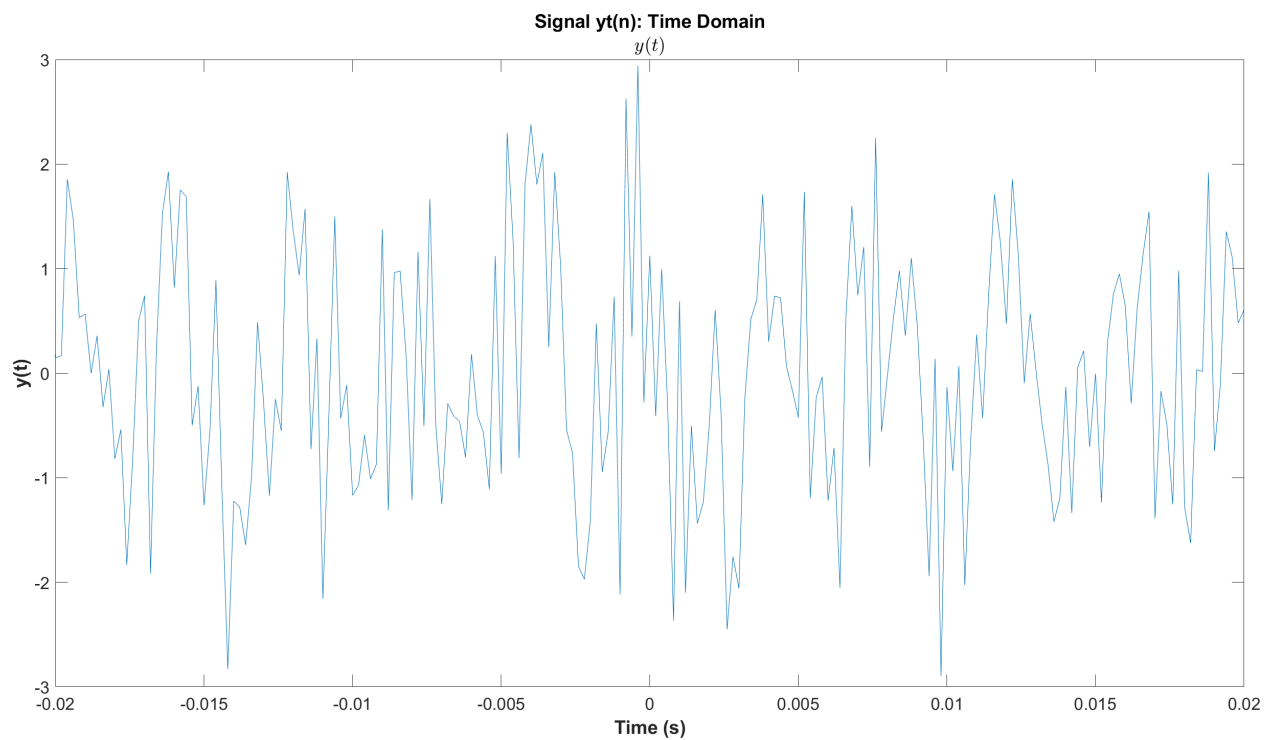

Figure 7: Time Domain

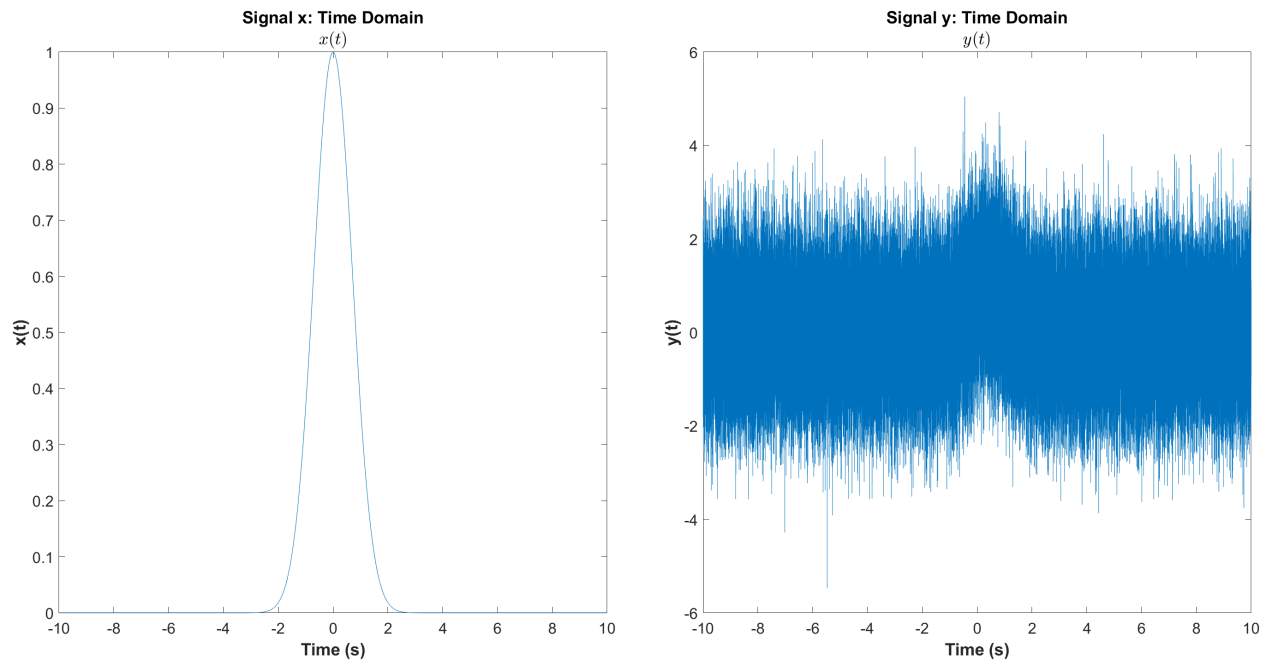

Figure 8: Time Domain

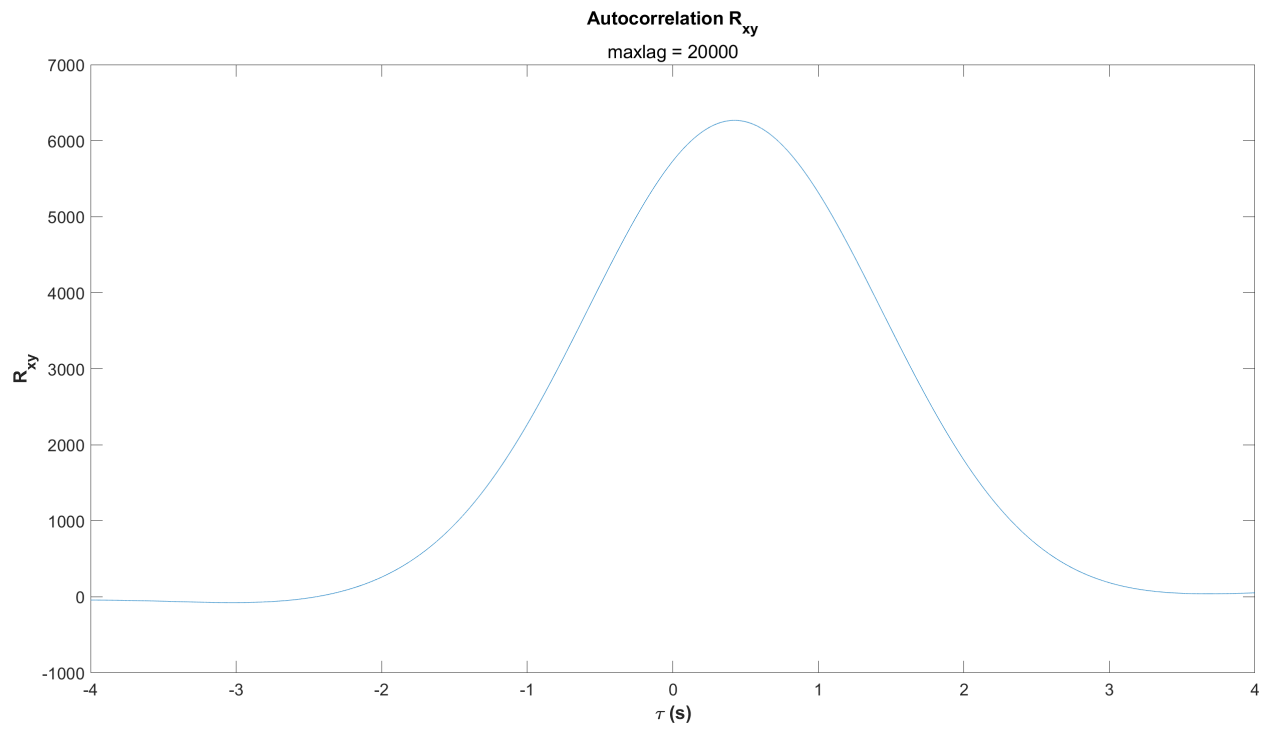

Figure 9: Autocorrelation
